## Reputation, Relationships, Results

Our focus is on our clients and their objectives. By making it our business to fully understand your needs, we provide innovative solutions and strategies – not merely technical answers to legal questions. Our attorneys act with you in mind.

# BEHIND THE SCENES OR ON THE FRONT LINES

---

## **No matter where you are, you make government work—**

whether you're leading a public health initiative, handling a classified operation, building a road, or providing office supplies.

Unlike commercial contracting, working with the government requires a specific understanding of ever-changing procurement regulations, statutes, and interpretative

law. From SBA set-asides to GSA multiple award schedule contracts, you need experienced advisors who know the complexities and can guide your company successfully through the government marketplace.

We provide counsel tailored to your needs, whether you're a small business or multinational corporation.

**Our lawyers handle a wide array of matters, including:**

- Alternative Dispute Resolution
- Audits and Investigations
- Bid Protests
- Claims
- Compliance and Ethics Counseling
- Construction Contracting
- Contract Preparation and Negotiation
- Corporate Transactions
- Cost and Pricing Issues
- False Claims Act Issues
- Government-Wide Acquisition Contracts (GWACs)
- Homeland Security
- Intellectual Property Issues
- International Procurement
- Joint Ventures, Strategic Alliances, and Teaming Agreements
- Labor and Employment Standards
- Local and State Procurement
- Prime-Subcontractor Relationships
- Security Clearance Issues
- Small and Disadvantaged Business Concerns
- Suspensions and Debarments
- Terminations
- White Collar Criminal Investigations
